

Sea Ice Prediction Network - Phase 2 Webinar

2021 Sea Ice Outlook Post-Season Review

SIPN2 Leadership Team Members

This webinar had 46 online participants

*Known online participants are included in the participant list

Participant	Organization	Country
Sahara Ali	University of Maryland, Baltimore County	United States
Ingrid Angel Benavides	Federal Maritime and Hydrographic Agency of Germany	Germany
Jean-Pierre Auclair	Centre National de la Recherche Scientifique / French National Center for Scientific Research	France
Thomas Ballinger	University of Alaska Fairbanks	United States
Uma Bhatt	University of Alaska Fairbanks	United States
Elena Bianco	Euro-Mediterranean Center on Climate Change	Italy
Edward Blanchard-Wrigglesworth	University of Washington	United States
Cecilia Borries-Strigle	University of Alaska Fairbanks	United States
Katie Brennan	University of Washington	United States
Mitch Bushuk	U.S. National Oceanic and Atmospheric Administration	United States
Douglas Causey	University of Alaska Anchorage	United States
Robin Clancy	University of Washington	United States
Sam Cornish	University of Oxford	United Kingdom
Alex Crawford	Centre of Earth Observation Science (University of Manitoba)	Canada
Richard Cullather	NASA Goddard Space Flight Center	United States
Jeff Currey		United States
Francis Diebold	University of Pennsylvania	United States
Arlan Dirkson	Université Du Québec À Montréal	Canada
David Douglas	USGS Alaska Science Center	United States
Christian Dumard	Marine Weather Strategy	France
Rebecca Eager	Johns Hopkins University Applied Physics Laboratory	United States
Anne Garland	Applied Research In Environmental Sciences Nonprofit, Inc.	United States
Gilles Garric	Mercator Ocean International	United States
Jan Grzeda	Arctic Research Consortium of the U.S.	United States
Sean Horvath	University of Colorado Boulder	United States
Elizabeth Hunke	Los Alamos National Laboratory	United States
Dmitri Kondrashov	University of California, Los Angeles	United States
Thomas Lavergne	Norwegian Meteorological Institute	Norway
Yanyun Liu	U.S. NOAA National Weather Service	United States
Walt Meier	National Snow and Ice Data Center	United States
William Merryfield	Environment and Climate Change Canada	Canada
Robert Osinski	Institute of Oceanology (Polish Academy of Sciences)	Poland
James Overland	NOAA Pacific Marine Environmental Laboratory	United States
Mark Serreze	University of Colorado Boulder	United States
Michael Steele	University of Washington	United States
Harry Stern	University of Washington	United States
Annelies Sticker		Belgium
Stacey Stoudt	Arctic Research Consortium of the U.S.	United States
Nico Sun	Self	United Kingdom
Betsy Turner-Bogren	Arctic Research Consortium of the U.S.	United States
John Walsh	International Arctic Research Center (University of Alaska Fairbanks)	United States
Muyin Wang	University of Washington	United States
Xuanji Wang	University of Wisconsin-Madison	United States
Helen Wiggins	Arctic Research Consortium of the U.S.	United States
Xingren Wu	U.S. National Oceanic and Atmospheric Administration	United States
Xiaojun Yuan	Lamont-Doherty Earth Observatory (Columbia University)	United States
