

2021 Arctic Research Funders Meet & Greet

Participant List # of Participants = 103

Name	Organization
David Allen	U.S. National Oceanic and Atmospheric Administration
Alexander Alvara	University of California, Berkeley
Rainer Amon	Texas A&M University at Galveston
Gregory Anderson	U.S. National Science Foundation
Igor Appel	TAG LLC
Forest Banks	Battelle
Tugce Baser	University of Illinois at Urbana-Champaign
Alec Bennett	University of Alaska Fairbanks
Robert Bensin	University of Alaska Fairbanks
Maureen Biermann	University of Alaska Fairbanks
Amy Bishop	University of Alaska Fairbanks
Mary Blair	American Museum of Natural History
Sara Bowden	U.S. Interagency Arctic Research Policy Committee
Embrey Bronstad	Washington State University
Lisa Busch	Sitka Sound Science Center
Augusto Cannone Falchetto	University of Alaska Fairbanks
Gilbert Castellanos	U.S. Department of the Interior
Douglas Causey	University of Alaska Anchorage
Athonu Chatterjee	Johns Hopkins University Applied Physics Laboratory
Jason Clark	University of Alaska Fairbanks
Courtney Collins	University of Colorado Boulder
Otis Crandell	Universidade Federal do Paraná
Heather Crowley	U.S. Bureau of Ocean Energy Management
Pat Danahey Janin	Indiana University
Samira Daneshgar Asl	University of California, Santa Barbara
Xujing Davis	U.S. Department of Energy
Roberto Delgado Jr.	U.S. National Science Foundation
Subhabrata Dev	University of Alaska Fairbanks
Danielle Dickson	North Pacific Research Board
Benjamin Edwards	Dickinson College
John Farrell	U.S. Arctic Research Commission
Elizabeth Fine	Woods Hole Oceanographic Institution

Anthony Fiorillo	Southern Methodist University
Adrian Gall	ABR, Inc. — Environmental Research and Services
Neil Gardner	Self
Anne Garland	Applied Research In Environmental Sciences Nonprofit, Inc.
Renske Gelderloos	Johns Hopkins University
Heather Gordon	Administration for Native Americans
Erin Grey	University of Maine
Jan Grzeda	Arctic Research Consortium of the U.S.
Inci Güneralp	Texas A&M University, College Station
Brenda Hall	University of Maine
Jasper Hardesty	Sandia National Laboratories
Adelheid Herrmann	Alaska Center for Climate Assessment and Policy
Erica Hill	U.S. National Science Foundation
Karin Hilser	Battelle
Anatoliy Ivakin	University of Washington
Benjamin Johnson	York University
Renu Joseph	U.S. Department of Energy
Dmitri Kondrashov	University of California, Los Angeles
Jake Kritzer	Northeastern Regional Assoc. of Coastal Ocean Observing Systems
Michael Kuperberg	U.S. Global Change Research Program
Kathryn Lavelle	Case Western Reserve University
Olivia Lee	University of Alaska Fairbanks
Dawn Marie Lemke	Self
Amy Lovecraft	University of Alaska Fairbanks
Rachel Mackelprang	California State University, Northridge
Judith Maréchal	Technical University of Denmark
Thorsten Markus	U.S. National Aeronautics and Space Administration
Christine Martin	Johns Hopkins University Applied Physics Laboratory
Margaret McCauley	U.S. Environmental Protection Agency
Lara Mengak	Alaska Department of Fish and Game
Jennifer Mercer	U.S. National Science Foundation
Debasmita Misra	University of Alaska Fairbanks
Valerie Morris	University of Colorado Boulder
Philip Mulford	Dartmouth College
Brit Myers	Arctic Research Consortium of the U.S.
Susanne Neuer	Arizona State University
Ashley O'Neill	Spire
Eileen Owen-Williams	University of Maine

Timothy Pasch	University of North Dakota
Karen Pletnikoff	Aleutian Pribilof Islands Association Inc.
Allen Pope	U.S. National Science Foundation
Bamidele Raheem	Arctic Centre, University of Lapland
Laura Ray	Dartmouth College
Michelle Ritchie	University of Georgia
Kate Ruck	QED Enterprises, Inc
Erik Saari	National Academies of Sciences, Engineering, & Medicine
Christina Schaedel	Northern Arizona University
Katherine Schexneider	Self
Helena Schmitz	Aleutian Pribilof Islands Association Inc.
Simone Sebalò	Zender Environmental Health and Research Group
Gay Sheffield	Alaska Sea Grant
Gordon Showalter	White House Office of Science and Technology Policy
Pacifica Sommers	University of Colorado Boulder
Michael Steele	University of Washington
Colleen Strawhacker	U.S. National Science Foundation
Janet Stringer	Polar Bears International
Paul Thompson	Capitol Technology University
Kelley Uhlig	U.S. National Oceanic and Atmospheric Administration
Tatiana Vishnivetskaya	The University of Tennessee, Knoxville
Piper Wallingford	University of California, Los Angeles
Melissa Ward Jones	University of Alaska Fairbanks
Peter Webley	University of Alaska Fairbanks
Liz Weinberg	U.S. Interagency Arctic Research Policy Committee
Jeffrey Welker	University of Alaska Anchorage
Naomi Whitty	Polar Field Services
Helen Wiggins	Arctic Research Consortium of the U.S.
Peggy Wilcox	University of Alaska Southeast
Mike Willis	Cooperative Institute for Research in Environmental Sciences
Krista Wright	Polar Bears International
Hannah Zanowski	University of Colorado Boulder
Lynn Zender	Zender Environmental Health and Research Group
