

ARCUS Arctic Research Seminar Series
“Crazy Weather and the Arctic Meltdown: Are They Connected?”
18 February 2016 – Participants

William Ambrose
National Science Foundation

Angela Coleman
USFS

Igor Appel
TAG

Finlo Cottier
SAMS

Saman Armal
CCNY

Renee Crain
National Science Foundation

Anjuli Bamzai
National Science Foundation

Christopher Crawford
University of Maryland/NASA GSFC

Norman Bliss
ASRC Federal InuTeq at USGS/EROS

Linda Cuadra
University of Washington

Gesche Blume-Werry
Umeå University

Pat Danahey Janin
Indiana University

Sara Bowden
IARPC

Les Darling
ESMN

Liz Bowman
ARCUS

Douglas David
USGS

Glen Brown
Ontario Ministry of Natural Resources,
Canada

Roberto Delgado
NIH

Maura Brunetti
University of Geneva

Qinghua Ding
Polar Science Center,
University of Washington

Edwige Cavan
Paris Sorbonne

Cynthia Dinwiddie
SwRI

Oriana Chafe
LBNL

Matthew Druckenmiller
NSIDC

Alessia Cicconi
University of Camerino (Italy)

Karla Dutton
Defenders of Wildlife

Mike Coffing
Volunteer - Alaska SeaLife Center

Kathleen Dwyer
MRHHS

Laura Eerkes-Medrano
University of Victoria

Anita Eisenstadt
IDA/STPI

Mary Fabrizio
Virginia Institute of Marine Science

Judy Fahnestock
ARCUS

Sinead Farrell
University of Maryland

Michael Feldman
Consortium for Ocean Leadership

Katie Fillingham
Consortium for Ocean Leadership

Marielle Fontaine
Canadian Climate Forum

Julie Friddell
Polar Data Catalogue

Anne Gaedeke
Water and Environmental Research Center,
University of Alaska Fairbanks

Manisha Ganeshan
USRA

Neil Gardner
Health Services Researcher

Konstantin Gavazov
CIRC, Umea University

Lisa Guy
ARCUS

Colene Haffke
National Science Foundation

Holly Han
McGill University

Robert Harriss
Environmental Defense Fund

Naotaka Hayashi
University of Calgary

Kenneth Heideman
American Meteorological Association

Patrick Heimbach
MIT

Douglas Kane
University of Alaska Fairbanks

Homa Kheyrollah Pour
University of Waterloo

Bob Klieforth
SLR International Corporation

Moki Kokoris
90-north.com

Matthew Konfirst
Science & Diplomacy

Tiina Kurvits
GRID-Arendal

Amy Larsen
National Park Service

Glen Liston
Colorado State University

Jennifer Lukovich
University of Manitoba

Lorene Lynn
HDR

Jacqueline Madill
Canadian Museum of Nature

Kasia Majewski
Canadian Museum of Nature

Seelye Martin
University of Washington

Nancy Maynard
University of Miami, RSMAS

Alysa McCall
Polar Bears International

Kevin McGwin
The Arctic Journal

Laurel McIvor
Canadian Museum of Nature

Peggy McNeal
Western Michigan University

Madelyn Mette
Iowa State University

Mark Middlebush
Vencore, Inc.

Susan Millar
Syracuse University

Sue Mitchell
UAF Geophysical Institute

Kim Morris

Ellen Mosley-Thompson
Ohio State University

Brit Myers
ARCUS

Nasser Najibi
The City College of New York,
City University of New York

Mahdi Navari
UCLA

Karl Newyear
UIC Science

Sarah Nuss
Chesapeake Bay National
Estuarine Research Reserve

Irina Overeem
University of Colorado

James Overland
NOAA/PMEL

Michael Patterson
US CLIVAR

Shanna Pitter
NOAA

Karen Pletnikoff
Aleutian Pribilof Islands Association Inc

Leonid Polyak
Ohio State University

Stacy Porter
Byrd Polar and Climate Research Center

Andreas Preußer
University of Trier

Terrance Ralston

Angela Raso
Purdue University

Brandon Ray
University of Washington

Mike Retelle
Bates College

Robert Rich
ARCUS

Barrett Ristoph
University of Hawaii

Rebecca Rolph
UAF Geophysical Institute

Jeanne Roningen
CRREL

Marya Rozanova-Smith
Russian State Hydrometeorological
University

Vicki Sahanatien
NU Dept of Environment

Eric Saltzman
National Science Foundation

Keah Schuenemann
MSU Denver

Hyodae Seo
WHOI

Daria Shapovalova
University of Aberdeen

Trey Simmons
National Park Service

Charles Slaughter
University of Idaho,
Center for Ecohydraulics Research

Sandy Starkweather
NOAA

Harry Stern
University of Washington,

Polar Science Center

Todd Stevenson
Ocean Conservancy

Neil Swanberg
National Science Foundation

Jessie Swanseen
Consortium for Ocean Leadership

Ewa Sypianska
Cardiff University

Renee Tatusko
NOAA National Weather Service,
Alaska Region Headquarters

Mark Twickler
University of New Hampshire

Kristan Uhlenbrock
US CLIVAR

Ilona Välisuo
Finnish Meteorological Institute

David Walker
Everett Community College

John Walsh
University of Alaska Fairbanks

Muyin Wang
University of Washington

Kate Winter
Northumbria University, UK

Bill Wiseman
National Science Foundation

Stephen Wright
University of Vermont

Alberta Yoo
Yongsan International School of Seoul,
Eco Save Club

Kendra Zamzow
Sustainable Pacific Grove

Leigh Zimmermann
Ocean Leadership

Joseph Zhang
VIMS
