

March 2005 ARCSS Committee Meeting | Agenda

ARCSS Committee Meeting
Arlington, VA
8-10 March 2005

Agenda

Tuesday, 8 March

7:45a.m. Continental Breakfast

8:00a.m. Brief ARCSS Committee planning meeting (Georgetown AB)

ARCTIC RESEARCH ACTIVITIES (OPEN SESSION)

[20-minute presentations, followed by 5 minutes for discussion; the morning session ends with time for a 20-minute summary discussion.]

9:00a.m. Welcome and Overview
Jonathan Overpeck
Chair, ARCSS Committee

9:10a.m. Remarks from the National Science Foundation (NSF)
Neil Swanberg
ARCSS Program Director

STATUS REPORTS ON ARCSS RESEARCH ACTIVITIES

9:25a.m. SBI: Shelf-Basin Interactions
Jackie Grebmeier
University of Tennessee

9:50a.m. Arctic Freshwater Cycle: Land/Upper-Ocean Linkages
Jonathan Pundsack
University of New Hampshire

10:15a.m. SNACS: Study of Northern Alaska Coastal Systems
Carin Ashjian
Woods Hole Oceanographic Institution

10:30a.m. BREAK

DEVELOPING COMMUNITIES OF PRACTICE

10:55a.m. HARC: Human Dimensions of the Arctic System
Maribeth Murray
University of Alaska Fairbanks

11:20a.m. Surface Dynamics and Human Environments of the Arctic System
(from the integration planning workshop led by LAII SMO)
Andrea Lloyd
Middlebury College

COMMUNITY PROPOSAL FOR NEW RESEARCH AREA

11:45a.m. OASIS: Ocean-Atmosphere-Sea Ice-Snowpack
Patricia Matrai
Bigelow Laboratory for Ocean Sciences

12:10p.m. Summary discussion

12:30p.m. LUNCH (provided for all participants)

ARCSS COMMITTEE (CLOSED SESSION)

COORDINATION WITH OTHER KEY PROGRAMS

1:30p.m. Committee discussion of SEARCH and ARCSS
(When and how to best coordinate planning, research, data and other activities.)

3:15p.m. BREAK

- 3:35p.m. Committee discussion: ARCSS connections and interactions with other programs (International Polar Year [IPY], Arctic Climate Impact Assessment [ACIA], Second International Conference on Arctic Research Planning [ICARP II])
- 5:30p.m. Adjourn for day
- 7:00p.m. ARCSS Committee dinner

Wednesday, 9 March

ARCSS COMMITTEE (CLOSED SESSION)

PLANNING ARCSS PRIORITIES AND FUTURE ACTIVITIES

- 8:30a.m. Advancing ARCSS synthesis: future activities and implementation

10:00a.m. BREAK

- 10:30a.m. ARCSS data coordination needs and goals: planning and implementation (including exploration of what to do with model results, code, sample data sets, sample output)

12:00p.m. LUNCH (provided)

- 1:30p.m. Updating ARCSS five-year science plan: planning and implementation

3:15p.m. BREAK

- 3:30p.m. Development of new ARCSS process/structure: Define, clarify, and describe process/structure and plan steps necessary for implementation.

- 5:30p.m. Adjourn for day

Thursday, 10 March

ARCSS COMMITTEE (CLOSED SESSION)

- 8:00a.m. Discussion of approach and implementation for community planning, outreach and communication

- Fall 2005 Meeting - goals, participants, agenda, etc.
- Community input/planning/outreach activities pre- and post meeting
- Long-term planning/outreach activities

10:10a.m. BREAK

- 10:30a.m. Programmatic issues related to ARCSS structure and communities of practice

- Review AC membership for gaps and discuss potential candidates to address any gaps
- Review Terms of Reference and revise as needed
- Determine an appropriate AC member rotation schedule
- Review human dimension/social science candidates for ARCSS Committee and select candidates if appropriate.

- 11:30a.m. Summary of discussions, review key points, and finalize action items

- 1:30p.m. ARCSS Committee meeting adjourns

12:30p.m. LUNCH (provided)

- 1:30p.m.-2:30p.m. Meeting of the ARCSS Committee's Executive Committee (Jonathan Overpeck, Jennifer Francis, Craig Nicolson, Matthew Sturm)
