Breakout Session #4 – Cross-Cutting Issues
Tuesday p.m., 8 October 2013

Risk & Safety
Responsibility

- Who has responsibility?
- PI
- Institution
Communications

• Sat phones or SPOT
• Check-in, check-out—with station, remote parties by sat phone
• PLBs
• Radio issues—not enough, not for project chit chat
Training

• Awareness training for PIs
• Mechanism to raise new PI awareness of safety issues
• Courses realistic and accessible
• Orientations
Use of local safety experts

- Ice safety
- Bear guards
- Boat safety
Other items

• Opportunities for PI refresher/review of safety plans
• Exchange for safety training availability information
