

2021 Sea Ice Outlook Contributors Forum

Participant List

participants: 65

Participant	Organization	Country
Juan Acosta Navarro	Barcelona Supercomputing Center	Spain
Rick Allard	U.S. Naval Research Laboratory	United States
Tom Andersson	British Antarctic Survey	United Kingdom
Qing Bao	Institute of Atmospheric Physics (Chinese Academy of Sciences)	China
Andy Barrett	National Snow and Ice Data Center	United States
Uma Bhatt	University of Alaska Fairbanks	United States
Peter Bieniek	University of Alaska Fairbanks	United States
Edward Blanchard-Wrigglesworth	University of Washington	United States
Ed Blockley	Met Office (United Kingdom)	United Kingdom
Cecilia Borries-Strigle	University of Alaska Fairbanks	United States
Charles Brunette	McGill University	Canada
Mitch Bushuk	NOAA Geophysical Fluid Dynamics Laboratory	United States
Leslie Canavera	PolArctic LLC	United States
Louis-Philippe Caron	Barcelona Supercomputing Center	Spain
Richard Cullather	NASA Goddard Space Flight Center	United States
Lauren Decker	PolArctic LLC	United States
Francis Diebold	University of Pennsylvania	United States
Arlan Dirkson	Environment and Climate Change Canada	Canada
Hajo Eicken	International Arctic Research Center (University of Alaska Fairbanks)	United States
Maximilian Göbel	University of Lisbon	Germany
Willam Gregory	University College London	United Kingdom
Robert Grumbine	U.S. NOAA National Weather Service	United States
Jan Grzeda	Arctic Research Consortium of the U.S.	United States
Virginie Guemas	Centre National De Recherches Météorologiques	France
Lawrence Hamilton	University of New Hampshire	United States
Bian He	Institute of Atmospheric Physics (Chinese Academy of Sciences)	China
Sean Horvath	National Snow and Ice Data Center	United States
Noriaki Kimura	University of Tokyo	japan
Philip Klotzbach	Colorado State University	United States
Dmitri Kondrashov	University of California, Los Angeles	United States
Jürgen Kurths	Potsdam Institute For Climate Impact Research	Germany
Chunhua Li	Chinese National Marine Environmental Forecasting Centre	China
Jinxiao Li	Chinese National Marine Environmental Forecasting Centre	China
Joseph Little	International Arctic Research Center (University of Alaska Fairbanks)	United States
Wieslaw Maslowski	Naval Postgraduate School	United States
François Massonnet	Université catholique de Louvain	Belgium
Walt Meier	National Snow and Ice Data Center	United States
William Merryfield	Environment and Climate Change Canada	Canada
Joseph Metzger	U.S. Naval Research Laboratory	United States
Andrea Molod	U.S. National Aeronautics and Space Administration	United States
Pablo Ortega	Barcelona Supercomputing Center	Spain
Robert Osinski	Naval Postgraduate School	United States
Steven Pawson	U.S. National Aeronautics and Space Administration	United States
Alek Petty	Earth System Science Interdisciplinary Center	United States
Cathy Reader	Environment and Climate Change Canada	Canada
Glenn Rudebusch	Federal Reserve Bank of San Francisco	United States
Axel Schweiger	University of Washington	United States
Mark Serreze	University of Colorado Boulder	United States

Qi	Shu	First Institute of Oceanography, Ministry of Natural Resources	China
Michael	Sigmond	Environment and Climate Change Canada	United States
Michael	Steele	University of Washington	United States
Stacey	Stoudt	Arctic Research Consortium of the U.S.	United States
Julienne	Stroeve	University of Manitoba	United States
Nico	Sun	Self	United Kingdom
Michel	Tsamados	University College London	United Kingdom
Betsy	Turner-Bogren	Arctic Research Consortium of the U.S.	United States
John	Walsh	University of Alaska Fairbanks	United States
Keguang	Wang	Norwegian Meteorological Institute	Norway
Muyin	Wang	University of Washington	United States
Helen	Wiggins	Arctic Research Consortium of the U.S.	United States
Xiaofei	Wu	Chengdu University of Information Technology	China
Xiaojun	Yuan	Columbia University	United States
Yizhe	Zhan	University of Illinois - Urbana Champaign	United States
Yongfei	Zhang	Princeton University	United States
Bin	Zhao	NASA Goddard Space Flight Center	United States
Jiechen	Zhao	Chinese National Marine Environmental Forecasting Centre	China
