

**ARCUS Arctic Research Seminar Series  
31 March 2016 – Participants  
“Using an Environmental Intelligence Framework to Evaluate the  
Impacts of Ocean Acidification in the Arctic”**

Amy Holman  
NOAA

Amy McElroy  
Senate

André Ricardo Dos Santos Ruperti  
Escuela Superior Politecnica del  
Litoral

Andrew Balsler  
Oak Ridge National Lab

Andrew Masciola  
NOAA

April Melvin  
AAAS Fellow

Ari Gerstman  
UCAR

Benjamin Pister  
National Park Service

Brandon Lee  
ABS Consulting

Brian Muehling  
US EPA

Brit Myers  
Arctic Research Consortium of the U.S.

Cathryn Symons  
CDP

Cecilia Peralta Ferriz  
University of Washington

Craig Dorman  
Arctic Research Consortium of the  
U.S.

Cynthia Dinwiddie  
SwRI

David Anderson  
National Park Service

David Douglas  
USGS

Erica Escajeda  
University of Washington

Francisco Navarrete-Mier  
EBIOAC-ULEAM

Guillermo Auad  
DOI/BOEM

Hajo Eicken  
University of Alaska Fairbanks

Helen Wiggins  
Arctic Research Consortium of the U.S.

Holly Kent  
Alaska Ocean Observing System

Jennifer Francis  
Rutgers University

Jeremy Mathis  
NOAA Climate Program Office

Jeremy Martinich  
USEPA

Jessica Cross  
CIFAR

Jessica Rohde  
IARPC

Jessie Creamean  
CIRES, NOAA ESRL

Jim MacCracken  
USFWS

John Calder  
Retired

John Engles  
Alaska Dept Environmental Conservation

John Walsh  
University of Alaska Fairbanks

Judy Fahnestock  
Arctic Research Consortium of the U.S.

Julie Parno  
CRREL

Karen Hanley  
USCG

Karl Newyear  
UIC Science

Kathleen Conlan  
Canadian Museum of Nature

Katie Fillingham  
Consortium for Ocean Leadership

Ken Dunton  
Univ Texas at Austin

Kim Morris

Kimberly Rand  
DOC NOAA AFSC

Lauren Everett  
NAS/Polar Research Board

Leigh Zimmermann  
Consortium for Ocean Leadership

Libby Logerwell  
NMFS

Lisa Clough  
National Science Foundation

Lisa Guy  
Arctic Research Consortium of the U.S.

Liz Bowman  
Arctic Research Consortium of the U.S.

Madelyn Mette  
Iowa State University

Mark Middlebush  
Vencore, Inc.

Marya Rozanova-Smith  
Russian State Hydrometeorological  
University

Matthew Druckenmiller  
Study of Environmental Arctic Change

Mayumi Arimitsu  
USGS

Meghan Klassen  
North Star Group

Melissa Parks  
The Pew Charitable Trusts

Mohamed Ahmed  
University of Calgary

Moki Kokoris  
90-north.com

Mukesh Gupta  
Environment Canada

Natalie Monacci  
OARC UAF

Neil Gardner  
Health Services Researcher

Peter Hill  
Woods Hole Oceanographic Institute

Peter Griffith  
NASA

Qiong Yang  
University of Washington

Rebecca Woodgate  
University of Washington

Robert Rich  
Arctic Research Consortium of the U.S.

Roberto Delgado  
National Institutes of Health

Sandy Starkweather  
NOAA

Sara Bowden  
IARPC

Sarah Abdelrahim  
DOI

Sarah Cooley  
Ocean Conservancy

Todd Stevenson  
Ocean Conservancy

William Ambrose  
National Science Foundation
